OSLO, NORWAY · (+47) 93 96 50 75 · AFEINBERG4@GMAIL.COM · TINYURL.COM/AFEINBERG

## PROFESSIONAL EXPERIENCE

### *Course Content Editor, Contractor*

May 2020 - Present

Duolingo, Pittsburgh, Pennsylvania, USA *working remotely*

- Helped to design and build a curriculum to teach the Norwegian and Japanese languages to several million students on the Duolingo app and at duolingo.com.
- Developed a plurality of each course's content, creating and editing tens of thousands of sentence pairs.

### *Assistant Language Teacher*

July 2018 – July 2021

JET Program, Wakō-shi, Saitama, Japan

- Assisted Japanese teachers in English language classes taught in senior high school.
- Supervised English-language activities.

### *Foreign Service Institute School of Language Studies Intern*

September 2017 – December 2017

US Department of State, Arlington, Virginia, USA

- Assisted students and mentors in the administration of distance language courses, including with front-end web development.
- Attended Interagency Language Roundtable meetings and Department of State educational seminars.
- Awarded U.S. Department of State Certificate of Appreciation "in recognition of outstanding service in support of the Distance Language Learning program."

### *Geographic Information Systems Contractor*

September 2015 – August 2016

Apple, via Apex Systems, Sunnyvale, California, USA

- Performed biweekly testing on GIS software to discover and report software defects as soon as possible.
- Reported software faults and potential improvements through a proprietary reporting system.
- Performed research and edits on spatial data throughout the globe.

### *Geographic Information Systems Intern*

June 2015 - August 2015,

San Jose Water Company, San Jose, California, USA

August 2013 - January 2014

- Interpreted engineering documents and digitized changes to mains, valves, hydrants and services.
- Created thematic maps detailing how future projects would alter existing water infrastructure.
- Researched and collaborated with engineers in Canyon Lake, Texas to maintain on-location data accuracy.

### *Web Development Intern*

January 2015 - April 2015

Brandography, Minneapolis, Minnesota, USA

- Built websites from the ground up, keeping interactivity, usability and aesthetic harmony in mind.
- Improved clients' web presence using speed metrics, plugins and search engine optimization.
